St. Wendelin High School

Volume 28

The Senior Class

Dedication

Twenty-five years ago this June, St. Wendelin High held its first graduation from the new school building on Countyline Street. The Reverend Robert V. O'Connor, principal, had planned and supervised the completion of the new building. His far-reaching foresight is evident as the parish now contemplates the necessity of adding a new wing to the building.

Now, as a commemoration of the first twenty-five years in this building and especially in honor of Father O'Connor, we, the Class of 1956, humbly dedicate this volume of the Foslin. Father O'Connor was principal at SWH for ten years—from 1926 to 1936. His untimely death, April 4, 1953, ended 30 years of priestly service in schools and parishes of the diocese.

The staff would like to pay tribute also to the class of 1931, the first class to graduate from this high school.

Yearbook Staff

Because there was no journalism class this year every senior who worked on this yearbook gave up study halls and other free time to complete it. Here they are:

Background: Jim Park and Nancy Witmore, co-editors; business department: Sandra Reinhart, typist. Ron Huss, Jack Altweis; manager.
Foreground: Donna Hoffbauer, Gary Zimmerman, Gerald Shultz.

The Grade School Pictures were handled by Georgia Iler, Carolyn Margraf, and Carol Coleman. The girls at the right saw to it that the underclassmen pictures were as nice as the senior pictures: Julie Weimerskirch, Norma Schreiner, and Geraldine Boff.

Joanne Reiter, Sharon Dyer, and Helen Frankart were responsible that all the activities were put in this year's book. For the music section these band members were the most logical choice, Nancy Howbert, Sue Sullivan, and Gerry Lonsway.

Music

Mr. Ralph Lupidi
Music Director

Music — The music section at SWHS cannot be traced back 25 years, but in its 5 years of existence great strides have been made. Half a decade ago there were barely enough students for a small band. Today, St. Wendelin boasts of a senior band and a junior band. To add to this accomplishment, the senior band rated a "good" in its first statewide competition last spring. Much of the band's success is due to Mr. Ralph Lupidi, music director of SWHS.

As the **Foslin** goes to press, word has been confirmed that Mr. Lupidi will not be back at St. Wendelin's next year. For the great work he has done in getting the music program here organized, St. Wendelinites join in saying "Thanks, Mr. Lupidi, and good luck; God bless your future work."

Looking at the past and the present we find the two basketball captains.

Activities are an important part of every school. Music and Sports, because of their major importance, have their own sections.

Student participation in other noteworthy events have been recorded in this section. The activities of St. Wendelin have helped give each student a chance for a well-rounded schedule — a balance between work and play.

Father Ruffing, Father Crawford, and **Father Hunter** view the cornerstone laid on September 28, 1930.

Reaching for the Stars?

☆ OF COURSE YOU ARE, why not? It means you are ambitious . . . looking forward to the years ahead to whatever they will bring . . . to the big challenge of making your own way . . . to reach the top in whatever field you select.

IT'S GOOD — this ambition — because, properly channeled, it leads to accomplishment, and security, and all the good things in life you have a right to expect.

YOUR FIRST STEP is to select a job in which your talents can be explored and used most fully.

YOUR INTERESTS may lie in, say, the field of electronics . . . or hydraulics, chemistry, mechanical engineering . . . or they may lean toward office work, or administration . . . or many of numerous interesting and rewarding occupations. Whatever your dreams, whatever your ambitions, we believe you can fulfill them at Auto-Lite, because Auto-Lite offers many opportunities in these and many other fields. Auto-Lite is the world's largest independent manufacturer of automotive electrical equipment, but that tells only part of the story. In short, we believe we are big enough, diversified enough to meet any demands your ambition calls for.

WHEN YOU COME TO TALK to us, bring your ambition . . . and your dreams. We're interested in young people who are reaching for the stars.
